

PET FEST

SPONSORSHIP OPPORTUNITIES

JULY 25 & 26, 2026

ABOUT DORCHESTER PET FEST

First held in 2022, Dorchester Pet Fest celebrates pets and the people who love them! It is a prime opportunity for brands seeking to connect with dedicated pet parents. The festival takes place at the Dorchester Fairgrounds - a privately owned venue in the beautiful town of Dorchester, located 10 minutes east of London and just off HWY 401. Attendees and exhibitors have travelled from Toronto, Windsor, Sarnia, and other areas across Ontario and northern USA.

The event is volunteer based and organized by Haustier Events. Born out of a desire to raise funds for animal rescues and promote pet-related businesses, thousands of hours go into organizing the event. Our dedicated team works tirelessly to create a day that is memorable for our attendees and lucrative for our sponsors and businesses.

Haustier Events is a Canadian non-profit driven by the desire to create inclusive, immersive community events that inspire connection, celebrate creativity, and generate meaningful financial support for animal rescues and welfare organizations across Canada. We believe events can do more than entertain – they can mobilize communities, strengthen local economies, and create sustainable funding streams for rescues in need.

OTHER OPPORTUNITIES

Donate to the Silent Auction

You can also partner with us by donating to our silent auction. The auction will be held digitally and will be open to everyone, whether they are in attendance or not. We will be displaying the prizes at the event, however, for attendees to see them. The items do not need to be pet-related and could include items such as spa packages, electronics, gift cards, hotel stays, or passes to family-friendly attractions.

Volunteer

Your employees can also volunteer with us and have a hands-on role in making sure the event runs smoothly. We are registered on Benevity, if your organization uses this program.

Attend as an Exhibitor

Having a booth at Dorchester Pet Fest is a great way to interact with attendees and promote your business and products. You do not need to be a pet-related business to attend. You can apply to attend on our website.

Thank you for your interest in supporting
Dorchester Pet Fest. If you have an alternative
sponsorship idea, please contact me to discuss.
